

## Electronic Fund Transfer System (EFTS)

The EFTS is a national fund transfer and payment system that allows bank customers to use and benefit from three main services:

### **Fawri+**

A 30 second single transfer from any bank account to any other bank account in Bahrain with a maximum limit of BHD 1,000 per account per day.

### **Fawri**

Single or bulk fund transfers from any bank account to any other bank account in Bahrain within a few hours during the business day.

### **Fawateer**

A one stop shop for bill enquiries and payments, where customers can view their outstanding bills from multiple merchants and pay them all immediately in a single click.
