Investment Objective

The investment purpose of the Fund is to provide long-term total returns consistent with a higher risk profile, through direct investments and the selection of Investment Managers investing across a range of asset classes including, but not limited to, equities, fixed income, real estate, money market, commodities and alternative strategies world-wide. The Fund's allocation flexibility and opportunities across various asset classes allow for performance potential in different market conditions. The Fund will operate on a fund of funds basis and may also access markets directly if it is believed that this would be more efficient and will allocate money to a range of investment managers who, in the opinion of the Manager, have the ability to deliver investment returns consistent with the objectives of the Fund. The Fund may hold exchange traded funds. The Fund is UCITS V compliant and domiciled in Ireland.
